### Product Features:

|                               |                                                                                                               |
|-------------------------------|---------------------------------------------------------------------------------------------------------------|
| Made in the USA               | Designed and constructed domestically                                                                         |
| Classic 24" size              | Fits common 22 5/8" W x 18 5/8" D counter cutouts                                                             |
| Four open burners             | 9000 BTU burners with built-in enamel grates to meet most cooking needs                                       |
| White exterior                | Classic design in a clean white finish to match any kitchen                                                   |
| Porcelain finish              | Scratch-resistant design for lasting durability                                                               |
| Recessed top                  | Curved design helps to contain spills on the surface                                                          |
| Electronic/gas spark ignition | Spark ignition system with a pre-installed 115V 3-prong cord                                                  |
| Designed for natural gas      | Set for use with natural gas connection. To convert for propane use, add Kit LP                               |
| Side controls                 | Cooktop knobs are located on the right side of the cooktop, clearing up space in the front for easier cooking |
