

# SPR489OSPNR

34" x 19" x 17.75" (H x W x D)

Commercially approved indoor/outdoor beverage cooler for built-in or freestanding use with a shallow 17.75" depth, panel-ready door trim, glass door, and black cabinet

**Highlights:**

- Shallow depth under 18" makes it ideal for smaller commercial and residential settings
- Designed and constructed for safe use in the outdoors
- Panel-ready door frame allows you to create a truly custom look under the counter

**Product Features:**

|                                 |                                                                                                                                     |
|---------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Shallow depth                   | Unique 17 3/4" depth is ideal for home wet bars, island kitchens, and other applications with limited footprint space               |
| Built-in capable                | Make the best use of space by installing your refrigerator under the counter                                                        |
| Panel-ready door trim           | Door frame can be customized with a custom overlay panel (panel frame dimensions: 31 9/16" H x 18 3/4" W at 3/4" minimum thickness) |
| Weatherproof design             | Approved for use in the outdoors, with a sealed exterior and double pane tempered glass door                                        |
| Commercially approved           | ETL-S listed to NSF-7 standard and meets UL-471 for use in commercial settings                                                      |
| Double pane tempered glass door | Heat resistant design provides clear view of stored products                                                                        |
| Automatic defrost               | Reduced user maintenance with auto defrost system                                                                                   |
| Adjustable shelves              | Three glass shelves with six positions for optimal storage and easy cleaning                                                        |
| LED lighting                    | Automatically illuminates when the door is open for an attractive and energy efficient view                                         |
