

# SWC182ZADA

31.63" x 17.75" x 23.5" (H x W x D)

18" wide ADA compliant dual zone wine cellar for built-in or freestanding use, with digital controls, lock, and LED lighting

**Highlights:**

32" height for use in ADA compliant settings

Chill white and sparkling wine while preserving red in two distinct temperature zones

Less than 18" wide for a perfect fit in smaller kitchen and wet bar spaces

**Product Features:**

|                                      |                                                                                                                                    |
|--------------------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Dual zone storage                    | Keep white wine in the upper compartment stored between 41 and 50°F and red wine at a warmer 50 to 64°F range in the lower chamber |
| ADA compliant                        | 32" height is designed to fit under lower ADA compliant counters                                                                   |
| Built-in capable                     | Make the best use of space by installing your appliance under the counter                                                          |
| 28 bottle capacity                   | Versatile interior can store up to 28 standard 750ml Bordeaux style or 22 wider Burgundy style bottles                             |
| Glass door with stainless steel trim | Provides a full display of stored contents with a heat-safe double tempered design                                                 |
| Factory installed lock               | Keyed lock for a secure interior, with 2 keys included                                                                             |
| Digital thermostat                   | Electronic controls for precise temperature management.                                                                            |
| Digital display                      | Temperature readout can be shown in Celsius or Fahrenheit                                                                          |
| LED lighting                         | Gentle illumination for each temperature zone for an elegant presentation                                                          |

## SWC182ZADA Specifications:

| Overview                   |                       |
|----------------------------|-----------------------|
| Nominal Height             | 32.0" (81 cm)         |
| Height of Cabinet          | 31.63" (80 cm)        |
| Nominal Width              | 18.0" (46 cm)         |
| Width                      | 17.75" (45 cm)        |
| Nominal Depth              | 24.0" (61 cm)         |
| Depth                      | 23.5" (60 cm)         |
| Depth with Handle          | 25.25" (64 cm)        |
| Depth with door at 90°     | 39.75" (101 cm)       |
| Capacity                   | 3.3 cu.ft. (93 L)     |
| Bottles                    | 28 bottles            |
| Defrost Type               | Automatic             |
| Door                       | Glass                 |
| Cabinet                    | Black                 |
| US Electrical Safety       | ETL                   |
