

# SCR1401LHCSS

69.75" x 23.63" x 23.75" (H x W x D)

Full-size commercial beverage center with stainless steel interior, self-closing glass door, self-closing glass door with a left hand swing, and stainless steel wrapped cabinet

### Highlights:

Commercially approved to NSF-7 standards

Stainless steel interior and exterior cabinet for lasting durability

Uniquely sized with a slim 24 inch footprint

### Product Features:

|                                 |                                                                                                                        |
|---------------------------------|------------------------------------------------------------------------------------------------------------------------|
| Commercially listed             | Design meets UL-471 commercial standards and is ETL-S listed to NSF-7 standards for commercial use                     |
| Slim fit                        | Just 24" wide and deep for an easy fit in any setting                                                                  |
| Frost-free operation            | No-frost convenience for reduced user maintenance                                                                      |
| Stainless steel interior        | Walls are constructed from stainless steel for added strength and easy cleanup                                         |
| Double pane tempered glass door | Heat-safe glass door with stainless steel trim offers full display all the way down to the floor                       |
| Self-closing door               | Door will automatically close when left ajar, preventing items from accidentally being exposed to ambient temperatures |
| Digital thermostat              | Electronic controls for precise temperature management, with a readout viewable in Celsius or Fahrenheit               |
| Cantilevered shelving           | Adjustable shelving accommodates virtually any size with convenient cantilevered system                                |
| Recessed LED lighting           | On/off button to illuminate stored products with an attractive and energy efficient glow                               |
