

# ASDR1524

32" x 14.75" x 17.88" (H x W x D)

15" wide shallow depth built-in undercounter ADA compliant 2-drawer refrigerator with panel-ready stainless steel drawer fronts and black cabinet

**Highlights:**

Uniquely shallow depth under 18" for an easy fit in kitchen islands

32" height for use under lower ADA compliant counters

Panel-ready drawers allow you to customize the look to match existing cabinetry

**Product Features:**

|                           |                                                                                                                                                                              |
|---------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2-Drawer All-Refrigerator | 15" wide 1.7 cu.ft. all-refrigerator with two gliding drawers                                                                                                                |
| Less than 18" deep        | Unique 17.88" shallow depth is ideal for wet bars, island kitchens, and other undercounter areas with limited footprint space                                                |
| ADA compliant design      | Sized just under 32" high to allow installation under lower ADA compliant counters                                                                                           |
| Adjustable height         | Leveling legs can be extended up to 2", with a slide-out kickplate that allows you to raise the overall height from 32" up to 34" if used under more standard sized cabinets |
| Built-in capable          | Front-breathing design allows you to make the best use of space by installing your appliance under the counter and flush with other cabinets in 15" wide openings            |
| Stainless steel drawers   | Drawer interiors and exteriors are fully constructed from 304 grade stainless steel for lasting durability with a finished front for an elegant look                         |
| Panel-ready drawer fronts | Drawers can be customized with overlay panels sized (at 14.75" W x 14.1" H at 3/4" thick) to match or accent existing cabinetry                                              |
| Professional handles      | Stainless steel handles add style to any setting                                                                                                                             |
| Frost-free                | No-frost operation for minimal user maintenance                                                                                                                              |
