

# SCFF53BIFIM

34" x 23.63" x 23.5" (H x W x D)

Frost-free built-in undercounter all-freezer for residential use, with factory installed icemaker, panel-ready door, and black cabinet

**Highlights:**

Customizable door front accepts full overlay panels for a seamless look that can blend into cabinetry

True frost-free operation saves you maintenance by preventing icy buildup

Flexible design allows built-in or freestanding use in 24" wide spaces

**Product Features:**

|                             |                                                                                                                                                                                                                                                                                |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Undercounter freezer        | Frost-free all-freezer in a 24" footprint for built-in or freestanding use                                                                                                                                                                                                     |
| Built-in capable            | Front-breathing design lets you make the best use of space by installing your appliance under the counter                                                                                                                                                                      |
| Frost-free operation        | No-frost convenience eliminates the need to manually defrost the unit                                                                                                                                                                                                          |
| Panel-ready door            | Integrated stainless steel door frame accepts full overlay panels, allowing you to customize the refrigerator door or blend it into your cabinetry design; panel size: 23 1/2" W x 30" H and at least 3/4" thick, maximum weight: 10 lbs.; customers provide their own handles |
| Digital thermostat          | Electronic controls offer easy and intuitive temperature management                                                                                                                                                                                                            |
| Recessed LED light          | Elegant and efficient interior lighting automatically illuminates when the door is opened                                                                                                                                                                                      |
| Adjustable shelves          | Rearrange your freezer space to accommodate all shapes and sizes or remove shelves for a simple clean-up                                                                                                                                                                       |
| Open door alarm             | Audible alarm will sound if the door is left open longer than one minute                                                                                                                                                                                                       |
| Temperature Memory Function | Unit will retain its last settings when power is restored in the event of a power loss                                                                                                                                                                                         |

## SCFF53BIFIM Specifications:

| Overview                   |                       |
|----------------------------|-----------------------|
| Nominal Height             | 34.0" (86 cm)         |
| Height of Cabinet          | 34.0" (86 cm)         |
