

36" Induction Cooktop XV Professional Series

\$ 1,959

PE365INDXV

Bertazzoni touch-control induction cooktops represent the fastest and most energy-efficient way to cook.

This 36-inch cooktop is equipped with 5 cooking zones, each with 9 power levels plus a booster. Select individual induction heating zones reach up to 3700 Watts, reducing time-to-boil by up to 50%. The intuitive touch-through-glass slider interface provides instant and precise control over cooking settings. With timer functions for each heating zone, you can manage the cooking process with complete accuracy. Benefit from maximized cookware size accommodation and a full surface bridge function delivering up to 5000 Watts with the booster. Cleaning is super-easy; just spray with glass cleaner and wipe the glass surface clean.

All Bertazzoni appliances are covered by a 2-year warranty.
