

## 48 inch All Gas Range, 6 Burner and Griddle - Gold Accents Master Series

\$ 8.499

### MAS486GGASBG

The new Bertazzoni ranges are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

The high-efficiency maintop with 6 burners and electric griddle features 2 dual ring 19,000 BTU power-burners that boil water in under 6 minutes (best in class), and 4 additional MonoBloc burners of variable size and power to suit every style of cooking, with delicate simmer at 750 BTUs. The stainless steel griddle with integrated cover provides additional cooking options.

The 4.7 cubic feet main oven cavity is the largest in its class, with dual convection fan for balanced airflow and even temperature baking and roasting on 7 shelf levels. The elegant large temperature gauge monitors the actual temperature in the oven. The extra wide infrared gas broiler is ideal for grilling and searing at high heat. The 2.4 cubic feet auxiliary oven is perfect for smaller dishes and for warming. Both ovens include convenient soft-motion doors. The edge-to-edge interior oven glass door maximizes interior volume and can be wiped clean without effort.

The fingerprint resistant finish on all knobs, handles, and stainless steel oven door surfaces makes cleaning a breeze.

Master Series Bianco and Nero Matt ranges feature the Collezione Metalli Gold Décor Set, with integrated satin gold handle finials and knobs that give the range a distinctive aesthetic signature. These refined accents enhance the contemporary finish, combining understated luxury with Bertazzoni's timeless Italian design.

All Bertazzoni appliances are covered by a 2-year warranty.

# Specifications

## Features

### Worktop

Size	48 in
Cooking zones	7
Number of gas burners	6 burners
Griddle zones	electric
Worktop type	gas / electric griddle
Worktop design	stainless steel with seamless edges
Worktop controls	metal knobs
Knobs	metal
Burner type	aluminum + brass medallion on power burner
Grates	cast iron
Continous grating	yes
Thermocouple safety device	yes
One-hand ignition	yes
Backguard	yes
Simmer ring	yes

### Cooking zones

Power burners	2 x 1300 BTU - 19000 BTU
Rapid burner	2500 BTU - 10400 BTU
Medium burner	2 x 1500 BTU - 5900 BTU
Simmer burner	750 BTU - 3500 BTU
Griddle power	1100 W

### Oven cavity

Oven configuration	double
Oven fuel	gas
Oven convection system	dual horizontal fans
Oven levels	7
Main oven type	gas conventional

Main oven broiler type	gas
Main oven functions	bake / broiler / convection bake
Main oven volume	4.7 ft <sup>3</sup>
Auxiliary oven type	gas
Auxiliary oven functions	bake
Auxiliary oven volume	2.4 ft <sup>3</sup>
Oven controls	knobs
Inner oven door	triple glass
Removable inner glass	yes
Cooling fan	yes
Door hinges	soft-motion
Wire-shelves	4 full size (with 1 telescopic glide)
Tray	1 baking tray with grill trivet
Grill trivet for tray	yes
Oven lights	double side mounted

**Bottom**

Legs	stainless steel
------	-----------------

**Technical specifications**

Absorbed current (A)	10 A with dedicated circuit
