

24 inch freestanding bottom mount Professional Series

\$ 1.948

RBM24F4FXNV

This Bertazzoni 24" refrigerator with fingerprint resistant stainless steel finish is designed and engineered with the highest grade materials and components.

This counter-deep refrigerator has ample storage capacity, with 7.4 cubic feet of refrigerator volume and 3.4 cubic feet of freezer. The refrigerator compartment has 3 shelves, a chrome wine rack and 2 crispers with adjustable humidity. The freezer compartment has 2 extra large freezer drawers and a removable shelf to make best use of freezer space. The Total No-Frost air-cooling system for the refrigerator and freezer compartments provides optimal temperature and humidity control to keep food fresher longer.

The electronic touch-control LED interface simplifies setting and monitoring of all vital functions. LED lights on the top provide clear illumination of the interior compartments.

Using one of the 2 available handle kits in Professional and Master Series style, this refrigerator integrates seamlessly with all other Bertazzoni appliances into style-harmonized suites for a true, high-performing kitchen.

Handle kits are sold separately.

All Bertazzoni appliances are covered by a 2-year warranty.
