

## 36 inch Induction Range, 5 Heating Zones and Cast Iron Griddle, Electric Self-Clean Oven - Gold Accents Heritage Series

\$ 15,989

### HER365ICFEPXG

The new Bertazzoni ranges are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

This all-new induction range has 5 high-power heating zones with maximum power output of 3700W. The right-side heating zones can be bridged to create a larger cooking area. Each induction area is controlled with knobs and has a convenient read-out interface on the glass worktop. A large, removable cast-iron griddle is included.

The 5.7 cubic feet self-cleaning oven is the largest in its class, with dual convection fan for balanced airflow and even temperature baking and roasting on 7 shelf levels. The elegant digital gauge gives precise control of oven temperature during pre-heating, roasting and baking, and has integrated controls for the food temperature probe. The extra wide electric broiler with optional convection is ideal for grilling and searing at high heat. The oven includes convenient features such as smooth telescopic glides for the oven shelves and soft-close doors. The edge-to-edge interior oven glass door maximizes interior volume and can be wiped clean without effort.

This range comes with a dedicated air-frying mode for healthier cooking, to be used with the included stainless steel mesh basket.

The fingerprint resistant finish on all knobs, handles, and stainless steel oven door surfaces makes cleaning a breeze.

Featuring the Collezione Metalli Gold Décor Set, integrated polished gold handle finials and knobs give the range a distinctive aesthetic signature, combining refined luxury with Bertazzoni's timeless Italian design.

All Bertazzoni appliances are covered by a 2-year warranty.

# Specifications

## Features

### Worktop

Size	36 in
Cooking zones	5
Number of induction zones	5
Worktop type	induction / standard cast iron griddle
Knobs	metal
Backguard	yes
Cast iron griddle	yes

### Cooking zones

Induction 2 bridge zones	yes
Induction front left	Ø 5 ¾ in - 1400W up to 2200W
Induction back left	Ø 8 ¼ in - 2300W up to 3700W
Induction center	Ø 8 ¼ in - 2300W up to 3700W
Induction front right	Bridge 2100W - 3700W
Induction back right	Bridge 2100W - 3700W

### Oven cavity

Oven configuration	single
Oven fuel	electric
Oven convection system	dual diagonal with ring heating element
Oven type	electric convection self clean
Oven broiler type	electric
Oven levels	7
Cooking modes	air frying / bake / broil / convection / convection bake / convection broil / dehydrate / pizza / proofing / self clean / warming
Oven volume	5.7 ft <sup>3</sup>
Inner oven door	triple glass
Removable inner glass	yes
Food probe	yes
Door hinges	soft-close

Air fryer	yes
Wire-shelves	2 heavy duty with telescopic glides
Tray	1 baking tray w/grill trivet + 1 air fry basket
Grill trivet for tray	yes
Oven lights	double side mounted

**Bottom**

Legs	stainless steel
------	-----------------

**Technical specifications**

Absorbed current (A)	50 A with dedicated circuit
Electrical supply	120/240V 60 Hz - 17000W or 120/208V 60 Hz - 15600W

**Dimensions**
